+ EMPLOYMENT

- 2013 - 2014 **IBM**
Business Analytics
I started on student internship in IBM, after which I continued for a paid internship. I was part of the development team, that merged the social networks with the banking sector. We acquire data from social networks, which are subsequently analyzed. Based on these data, we prepared scoring of the banking users.
- 2013 **CZECH TECHNICAL UNIVERSITY IN PRAGUE**
Database design
External cooperation CTU and Profinit s.r.o. on MANTA project. I worked on the design and tests of graph databases, which were a repository of analyzed scripts.
- 2012 - 2013 **BESOCIAL**
CEO
Chief executive officer the company, focusing on social media and the develop of new unprecedented applications based on the latest web technologies was a real challenge. We collaborated with interesting clients such as Philips, Skanska, Kapka naděje (charitable), Anglo-American University, etc. and participated on small projects, also for local brands. I got the opportunity work in young team and my work was developing applications, take care of human resources and consulting with clients.
- 2011 - 2012 **SOCIALBAKERS**
Developer
Socialbakers is one of the largest social media statistics resources worldwide providing global brands with solutions to build and measure their social media presence, monitor competition, and develop the best practice industry benchmarks.

+ EMPLOYMENT

My main responsible was to develop website www.socialbakers.com and implement a well functioning sales and marketing machine that will provide sales and marketing departments with tools and processes that will help them convert more leads and opportunities faster.

The company is the winner of czech competition "Křišťálová Lupa" (the best global project from czech creators) and Red Herring Europe TOP 100 winner.

○ 2011

FC HRADEC KRÁLOVÉ

Professional football player

My football career began in the small club 1.FC Žamberk, when I was 5 years old. Later I've played in several clubs such as RMSK Cidlina Nový Bydžov, SK Slavia Praha and FC Hradec Králové, where I was captain and backbone of the team. In 2007 we were younger adolescents champions of the Czech Republic, in 2008 we achieved 3. place in extraleague of older adolescents. In 2007 during the contract with FC Hradec Králové I took up the opportunity to start to play for the for the Czech national team U-16.
